

Amendments to the Claim:

The listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of the Claim:

1. **(Currently amended)** Sanitary and breathable packaging for prepared food products, comprising a container having walls of laminate material with at least an insertion opening with a non-reusable closure, at least one weakening line for tearing the packaging ~~and extracting contents to allow extraction of prepared food products therefrom~~thereof, and holes selectively arranged around the packaging so as to be suitable in size and number for aeration internally into the packaging for permitting transpiration for the prepared food products contained in the packaging prior to extraction thereof.
